

## *Silk Touch*

Agreeable feeling of subtle combination of soft, neutral tones underlined by porcelain look of skin tones

**Colors:**

jet, chalk, shades of gray, taupe gray, skin tones, luster, transparent, alabaster, opal, tobacco brown, pink, almond flower

## *Fresh Mint*

Purple effects of changing colors in contrast with fine cool pastels reflecting the freshness and soft graduation of opaque colors

**Colors:**

silver, light gray, intense magenta, white, ivory, mint green, light sapphire and peridot, color iris, sphinx and vitrail

## *Sea flow*

Compact intense opaque colors broken by etched and matted surfaces resulting in a combination of white background and color decor providing an illusion of washed out, pale colors

**Colors:**

opal white and blue, navy blue, intense sky blue, rosebay orange, ice blue, ink blue

## *Fiery Glow*

Omnipresent red nicely matched with terracotta orange as symbols of summer day where the rays of sun are substituted by gold surface reflections

**Colors:**

lipstick red, theater red, lily orange, dark brown, purple, sun yellow
