Fire Polished Beads

ART No. 151 19 001

Certificates

Product certificate according to the PN 0860 Industrial Standard and the PN 0800 – PN 0826 Material Standards. With the exception of color Nos. 71000 and 71010, none of the Fire-Polished Bead colors contain lead and/or lead oxide.

Slight color deviations due to natural properties of glass cannot be avoided.

Directions for use

Specific properties of the product need to be understood: small beads should be kept away from children (danger of swallowing and/or inhalation); larger glass products should be protected against breakage (danger of sharp pieces of glass).

Hand Wash

Do Not Dry Clean

Do Not Iron

Product specifications
