PRECIOSA *Candy Rose*

Preciosa Ornela now offers your favourite PRECIOSA Candy™ Pressed Bead in the new PRECIOSA Candy Rose variant.

The well-known two-hole, low cabochon with a round base with a diameter of 8 and 12 mm is now highlighted with engraving at the top arches so that it resembles a rose.

This new version enables the creation of contrast when it is combined with the smooth original bead. The traditional shallow curvature in the lower section, similar to that in the PRECIOSA Candy™ Pressed Bead, greatly simplifies sewing around the bead and stringing it with other beads of the same type or indeed using it with other seed beads and selected beads from the PRECIOSA Traditional Czech Beads™ brand. Make use of the options provided by these low, two-hole cabochons, supplement them with PRECIOSA Rocailles in a suitable color or combine them with other popular shapes, such as PRECIOSA Twin™ or PRECIOSA Solo™, and create an elegant fashion accessory.
