Preciosa Ornela presents the PRECIOSA ChilliTM Pressed Bead from the PRECIOSA Traditional Czech BeadsTM brand. Elongated shape complements the popular fantasy series of two-hole beads, with which it has the same pitch holes. Axial displacement of the two location holes predetermine this bead with simple folding as a zipper with a conventional sleeve on the rigid or flexible material, wherein the ridge of the bead perfectly fits into lateral recess of the side bead. Flattened shape and lateral orientation of the holes allows to create a flat relief applications in combination with round beads and pearls up to 4 mm. Suitable is the connection with beads like PRECIOSA PipTM, SoloTM or PRECIOSA ThornTM. This bead is suitable for all types of surface finishes.
