Rucola

The project Rucola connects variability and combinability of beads and seed beads with PRECIOSA Traditional Czech Beads™ brand. According to these instructions, you can make jewelry, which dazzle on various occasions. The shapes of beads PRECIOSA Chilli™ and Pip™ perfectly complement PRECIOSA Twin™ or PRECIOSA Solo™ and rocailles. Together they form a perfectly symmetrical whole. Get inspired by the range of colors and surface finishes and tune your accessories to perfection. You can also create another rosette in addition, hang it on a chain and add to earrings also the necklace.

Difficulty: 

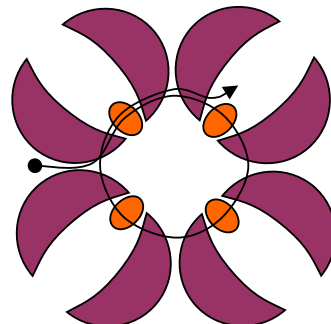

Technique: basic beadweaving

Procedure:

Step 1:
Cut off approx. 30 cm of Fireline and thread into needle. Pick up 1x Ch through the first hole from the outside, 1x R9 and 1x Ch through the first hole from inside four times.

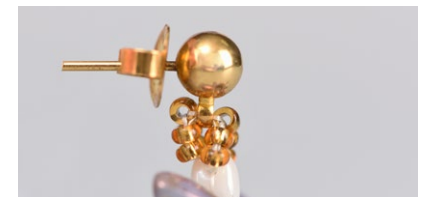

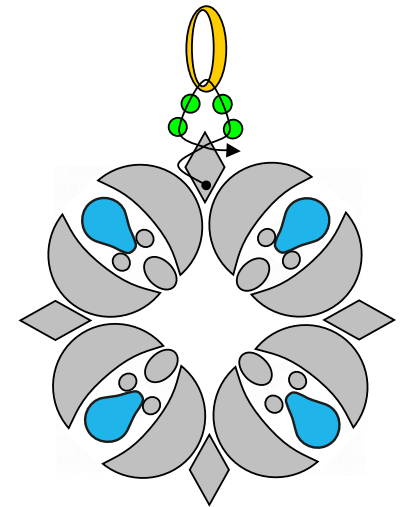

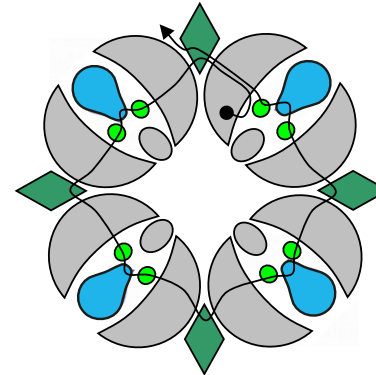

Step 2:
Close to a circle while pass in through the first group of beads, leaving 8 cm hanging. Tighten thread. Pass thread way once more. Pass through the next Ch.

Step 3:
Pass through the second hole on the Ch.
Pick up 1x T and pass through the second hole of the next Ch. Pick up 1x R13, 1x P, 1x R13 and pass through the second hole of the next Ch.

Repeat from * to * until the round is finished.

Step 4:
Pass through the second hole of the T, pick up 2x R13, 1x earring and 2x R13 and pass through the second hole of the T. To stabilize the connection repeat thread way several times. Sew up thread and cut off.
