

Step 14:  
Repeat the same steps to form  
the second flower.

Step 16:  
Repeat the steps to obtain a third flower and  
twist wires leaving at least 5 or 6 cm tail.

Step 15:  
Add center bead and string until you reach  
the base of the twisted wire.

# Bridal Beauties

*Floral motifs created using the technique of stringing seeds on thin costume jewelry wire form the basis of hair decorations which are suitable for weddings, other special occasions and even for everyday occasions. The wide range of beads and seed beads from the PRECIOSA Traditional Czech Beads™ brand enables the use of this technique to create almost every kind of flower.*

*Choose your favourite color combination and create relatively easy romantic floral decorations which will never fade or wilt.*

0,30 mm copper wire (silver plated)  
Headband and bobby pins at your choice

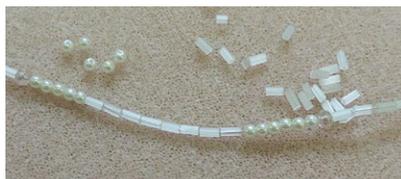

**Difficulty:** ● ● ● ● ●

**Technique:** wirework

## Procedure:

**Step 1:**  
String randomly on a 0,30 mm wire bugles and pearls of your choice (atlas finish gives a wonderful sparkle to your finished piece). tip: string pearls in clusters of three and five, each three forms a bud, each five forms a tiny flower.

**Step 2:**  
Make tiny loops by twisting wires together for about 1-1,5 cm as shown on the picture.

**Step 3:**  
Three pearls loop for a bud, five pearls loop for tiny flowers. Continue until you have a delicate fan spray.

**Step 4:**  
String 5 Pip Beads on 0,30 mm wire.

**Step 5:**  
Join wires and twist twice to secure.

**Step 6:**  
Take one end of the wire and insert in the center hole.

**Step 7:**  
String a 3 mm beads and push it in the hole.

**Step 8:**  
Take the wire and slide it between two petals.

**Step 9:**  
Bend the wire on the back of the flower.

**Step 10:**  
Insert in the hole.

**Step 11:**  
Join the two wires and twist.

**Step 12:**  
Twist approximately 2 cm and continue with the second flower.

**Step 13:**  
Using the longer wire, string 5 Pip Beads.
