Jasmine flower

The PRECIOSA Pip™ Pressed Bead in the shape of a small seed has provided inspiration for the creation of an infinite series of flower motifs.

Preciosa Ornela presents the PRECIOSA Pip™ Pressed Bead, this time in a tutorial for the creation of costume jewelry accessories with stylised jasmine flowers. The relatively simple procedure will enable you to create the basic flower which can then be used in a bracelet, earrings, a pendant or a ring. This diminutive bead with the dimensions of 5 x 7 mm has the symmetrical shape of a small seed, on whose facets all types of surface finishes look great.

Preciosa Ornela wishes you many creative ideas with this bead from the PRECIOSA Traditional Czech Beads™ brand.
