Czech state flag

Preciosa Ornela presents a tutorial on how to make the Czech state flag using the beads and seed beads from the PRECIOSA Traditional Czech Beads™ range on the occasion of the 100th anniversary of the establishment of the Czech Republic.

Thanks to the unique pressed, two-hole PRECIOSA Twin™ bead and the PRECIOSA Rocaille seed bead, it is relatively simple to create an attractive pendant which you can take with you on your travels as a talisman.
